

February 2021

IMPACT

Child Evangelism Fellowship® of Franklin/Fulton Counties

FROM CEF HEADQUARTERS:

The 2021 International Conference will be offered digitally to the CEF family all over the world. The virtual conference will take place May 3-7, 2021.

We are excited for the possibilities that the digital 2021 International Conference will bring. The International Conference in 2021 will now be able to be viewed online anytime, all over the world, at a very small cost, and with no

limit on the number of virtual attendees.

As we are preparing to approach this conference unlike ever before, we will be exploring many options such as translation technology, capabilities for interactive discussion, new workshop formats, and much more. Please pray for the teams that will be working to bring this conference together in 2021. For more information or to register, go to:

GOOD NEWS CAMP UPDATE

A lot of people are wondering about our summer plans. Right now, the plan is to have camp in any capacity we are able, as we did last summer. We don't have any further details at this time. Please pray for wisdom for many involved in making these decisions. Our desire is to return to a "normal" summer, but we know that our desires are not always able to be fulfilled. We'll be grateful for any opportunity we are given.

We recently found out that it was necessary to change our email address. Please update your files as this change is immediate. Our new address is:
