As we look ahead to the summer, we realize that our camp promotion is greatly hindered. We relied on the schools and the school clubs to distribute camp flyers and most of those channels are closed this year. We've enclosed a camp flyer for you to see and hopefully pass on to a child in your family or neighborhood. If you would be willing to pass out more in your area or take them to a place of business or some churches please let us know, and we'll be sure to get you a supply. Forms can also be downloaded from our website, and registration can be done online as well. As a reminder, our website is:

www.franklincef.com

The flyer that we made last fall has been edited with a spring look to let kids know about online resources they might enjoy. If you'd like some of these flyers to give out, we'd be happy to print them and get them to you.

We will be having one last Teacher Training Class for the year on April 5 at 9:30 at Chambersburg Bible Church. We will have camp brochures available as well as camp supplies for those who have signed up to teach at camp. It will also be a time of encouragement and sharing. Hope you can come.

Good News Camp Update

We're thankful for those of you who have donated money or supplies in the past month. We've received donations of stones for the parking lot, large trash bags, and many camper scholarships. Several people have told us that their churches are collecting donations of paper and cleaning supplies. Thank you for giving to these projects. These donations help us keep the cost low for children to attend.

There are several projects that need to be completed this spring in preparation for the campers' arrival. We're looking forward to some consistent warmer weather so we can start working with our volunteer groups and setting up the camp property. There is always much to be done, as things get very dusty and dirty over the winter months.

Beautiful, sunny days at the Mark Victor Teeter Memorial Park are just around the corner. We are very excited.

Praise God for those who have already committed to teaching a week of camp this summer. We are still in need of many teachers to fill all of the weeks. If you would like to volunteer to teach a small group of children, please call or email. You can also sign up to teach on our website.

Please pray that we will have wisdom concerning the many decisions that need to be made in the next few weeks and months. We know that things will be "more normal" this year, but there will still be things we need to rethink and plan. We appreciate your prayers and words of encouragement.
