Good News Camp just flew by this summer as a new crop of children and volunteers arrived each week. We were all challenged by the life of Nehemiah. Many of the children commented that they had never really learned much about Nehemiah before; so, they found the biblical account very exciting.

Listed here are the five main truths that were taught each day as application.

Good News Camp 2021

Monday
You can trust God to answer your prayers at the right time and in the right way.

Tuesday
Your actions should show that you are thankful to live in a free country.

Wednesday
You can have peace in your heart even when you have problems

Thursday
The Lord Jesus lives in you to help you say no to sin.

Friday
You should remember to thank God often.

Camp was blessed once again this year by an amazing junior staff and by more than 200 volunteers who served for a week or more.

As always, missions time was an exciting challenge as the missionaries shared about their ministries. We had record breaking offerings as

campers gave sacrificially. Even the weather was a blessing almost every day.

School Good News Clubs

We are planning to restart School Good News Clubs in October. We have a lot of work to do as many clubs did not meet last year and will need to be reorganized. We know that we have lost some volunteers, and that some clubs will need new leadership. We need volunteers to teach, help, counsel, and drive buses. If you are willing to volunteer one hour a week to help with a club, please let us know and we'll find a club that fits your schedule. Pray that all school clubs can be started this fall.

Homeschoolers

Over the past several years, homeschoolers have been vital to our School Good News Club ministry. Many of them start as helpers by riding the bus, helping with discipline, and assisting the teacher in the classroom. As they get older, some have even become teachers and leaders in the clubs. We have clubs in every school district and at least one club meets every day of the week, so we can work around your schedule. Children in K - grade 2 can join as clubbers, and older children can be helpers. Most students can get school credit for helping. If you'd like more information, please call us at 717-762-2115.

Teacher Training Classes

Once again this year, we will have free teacher training classes for all Good News Club teachers or anyone who teaches children in any setting. Each class includes valuable information to help you be the best teacher you can be. Free hand-outs are given to all who attend to help them be more creative and effective as they teach.

Classes meet on the first Monday of the month in Chambersburg and Fulton County and the first Tuesday of the month in Waynesboro. Call for more details.
