THE RUSSELL FAMILY - SEPTEMBER 2021

News

*...the Lord thy God is with thee
whithersoever thou goest. Joshua 1:9*

Cora and Seth have started their fourth year of teaching at the Global English School in Thailand. Cora is teaching second grade and Seth is teaching Math. They have started their year online as COVID is still very prevalent in their area.

Caleb finished his summer as chapel leader for camp. He did a wonderful job communicating the main truth and Bible verse for each day. His editing work has really taken off. He enjoys reading and editing dissertations, and the students are thankful for his careful attention to detail and suggestions for improvement. He has some leads on other areas of ministry, but is happy doing these editing jobs until God directs him elsewhere.

Jacob enjoyed serving at camp this summer as well as teaching at several Vacation Bible Schools. He has started his senior year at Liberty University. If it seems like it went quickly, it's because he worked ahead and will finish in just three years. He's already started his senior capstone project, and is looking forward to a great year.

Olivia completed her internship in Jacksonville and went straight back to school at LeTourneau University in Longview, TX. She is in her second year of welding engineering, and is also serving as a peer advisor. She's loving every minute of it.
