The Ministries of CEF® in 2022

Three new schools have been opened for Good News Club during the month of December. Thank you for praying for the volunteers to make this possible. All three clubs still really need help as Dan and Michelle are helping at all of them right now. They would love to hand those off to volunteers in the New Year. Pray for one school that still has not started club due to no children signing up. Pray children will want to attend.

January's class is scheduled to meet on Jan 3rd in Chambersburg and Jan 4th in Waynesboro. Once again Diane Pomroy will be sharing about her ministry with CEF in the Middle East.

CEF continues to offer various resources online for children who are not able to attend clubs. Please pass this website information on to any children you know who might enjoy online clubs.

Camp preparations are already underway. We're looking forward to another summer with full attendance. Last summer's campers received their Christmas gift in the mail in early December.

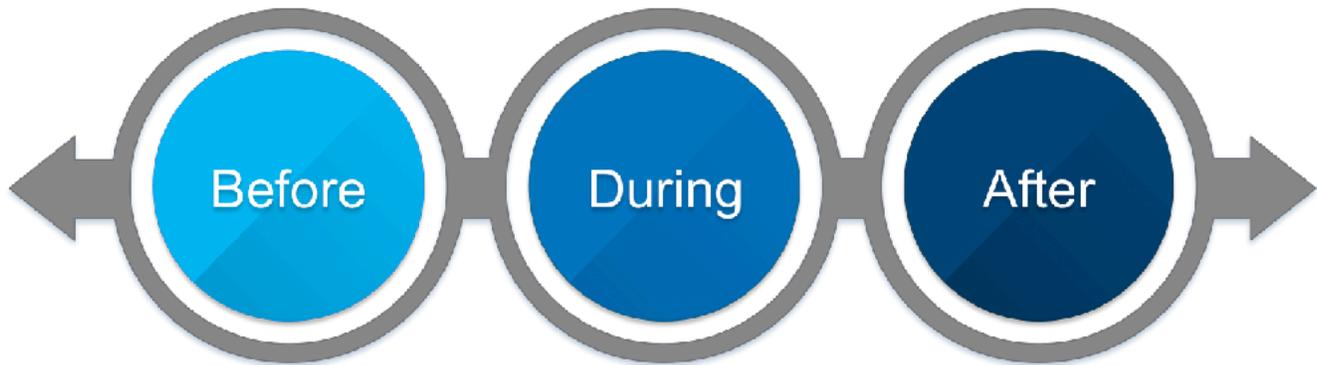

Three faithful workers grade these lessons for children who want to grow in their faith. We're thankful for this great way to do follow-up with children.

Tel-A-Story offers a new story every day. Please share this number with children you know and remind them to call. The call is free.

In December's Teacher Training Class, we talked about how each child has a before, during, and after phase. They come to club as "before" and we have them for the "during" for just a few years. God has done some amazing things to bring about the "after" in their lives. Praise God for how He works.
Please continue to pray for all of the club workers as they labor during this year.
