Happy New Year!

We're excited to begin another year of life and ministry with Child Evangelism Fellowship® in Franklin and Fulton Counties. We're thankful that God has given us another year to serve Him by working alongside hundreds of volunteers to reach thousands of children with the gospel. This will be our 15th year of serving in this ministry with our family and friends.

As we look ahead to what 2022 will bring, we are excited to see that ministry is coming to life again. Good News Clubs are happening in nearly every school, and ministry is taking place daily. Teacher training classes have been meeting each month, and teachers and volunteers are doing a wonderful job of reaching the boys and girls from their local schools. God has given us the privilege to work with so many people who are burdened to reach the children in their community.

A special thank you to all of you who prayed for us and supported us financially this year. We are so appreciative of you. We look forward to seeing how God will direct our family and our ministries this year.

Prayer Requests

- ✓ Praise God for a new year of ministry. Praise for the health and safety of our family. Pray that it will continue throughout the year.
- ✓ Pray for wisdom for our children who are making important decisions about life and work.
- ✓ Praise God for family time we are able to have during this break before everyone heads their separate ways.

Cora and Seth

Cora and Seth arrived home for the holidays on Dec. 13. It has been amazing to have them home for the first time in two years. They will return on Dec. 30, so we'll take advantage of every opportunity we have while they are here. Pray for safety as they fly.

Caleb

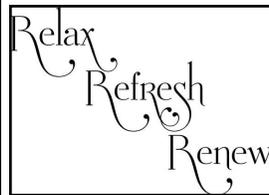

Caleb was able to come home for a few weeks for the Christmas holidays. He is happy to be reunited with his siblings for a few weeks of fun before everyone has to scatter again. He has also been helping with some clubs.

Jacob

Jacob finished his semester on Dec. 13. He will be spending some time at home over Christmas break looking for job opportunities after graduation. Pray that God will lead him to a good job. He would love to work for a Christian company.

Olivia

Olivia has a nice long break from Thanksgiving until January 10. She needed some time to rest and relax after another very intense semester. She will continue as a peer advisor next year, but will drop her lab tech job. It was just too much.
