IMPACT

Child Evangelism Fellowship® of Franklin/Fulton Counties

Good News Clubs® are in full swing and meeting weekly at dozens of locations throughout our two counties. Since the majority of our clubs cover three grades (K-2nd), they use a three year curriculum. Here is what they are learning during those three years of club.

YEAR 1

The children learn the attributes of God. They go through Genesis including creation, fall, and flood. They learn about the life of Peter. The year ends with teaching on how to have a quiet time each day.

YEAR 2

The Wordless Book is presented first as a way to share the Gospel and then as a way to encourage the children to share the Good News. The children also study Jesus' early life.

YEAR 3

They continue to study the life of Christ through His death, resurrection, and ascension. They learn how to have the fruits of the Spirit in their lives, and they memorize the Lord's Prayer.

PARTNERING CHURCHES

The majority of our clubs meet at a church that is located near their school. The churches partner with us by providing teachers, helpers, and rooms to meet. These churches are ready to receive the children and their families as part of their ministry of follow-up, and they often provide invitations to special events or regular services.

Plans are already underway for another exciting summer of Good News Camp. Next month, we'll have more details, but if you're interested in knowing the dates for this summer, the schedule can be found on our website: www.franklincef.com. Start planning now for the week(s) you'd like to volunteer. We are especially in need of teachers because many of the camp weeks have grown and require additional groups. Here is how you can be used at camp:

**JUNE 13 -
AUGUST 5,
2022**

1. Teachers: Teach a Bible lesson for 25 minutes each day to a small group of children. All lessons and materials are provided. You'll enjoy getting to know the children and the fellowship you will have with other volunteers.
2. Junior Counselors: (Completed grade 8 and up) - Help a small group by leading them by example and having fun with them during an exciting day.
3. Helpers: (Completed grade 7) - Help around camp in general ways and prepare to be a junior counselor in future years.
4. Bus drivers: We are always looking for drivers to get the kids to and from camp.
5. Nurses: Be there for the children to help with cuts, scrapes, and medications. Must have LPN, RN, or EMT certification.

GOOD NEWS CLUB MISSIONARIES

Here's a quick glance at the CEF missionaries the Good News Club children are supporting this year through prayer and gifts

MIKE AND LINDA PETKOF

Mike and Linda minister to the children of Greece. One of their favorite Good News Clubs is held each week for the Roma Gypsy Children in a town called Larisa. Linda also has a ministry to the women in her area through cooking, crafts, and Bible study. During the summer, they hold camp at Hope Christian Center. Please pray as they are raising funds to remodel the camp property to be used year-round. Mike and Linda have three sons, Michael, Peter, and Alex.

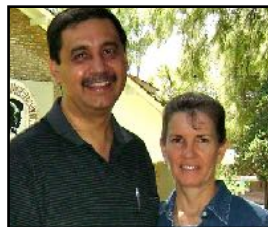

BROTHER ALEX

Brother Alex is the regional director of the West and Central Africa region of Child Evangelism Fellowship. He oversees the work of CEF in 24 countries. Many of the workers in their region face danger and persecution for sharing the gospel. Pray for their safety as they travel and share the gospel. Pray that God will continue to open doors for them to minister in areas that do not know of Jesus. Pray for wisdom as Brother Alex oversees this large group of staff and volunteer workers.

DIANE POMROY

Diane will look familiar to many of you as she lives in Chambersburg and has been a part of CEF of Franklin/Fulton Counties for many years. She currently serves as the Literature Coordinator for the Middle East region of CEF. This includes translation and distribution of the many materials needed to teach Good News Clubs, 5-Day Clubs, special holiday clubs, and any other ministries of CEF in this area. Pray for this region as they continue to work to provide online clubs and trainings. This has been successful for them.

ABNER AND SUSAN PINEDA

Abner and Susan serve as regional directors of the Latin American region of CEF. Currently that includes 19 Spanish speaking countries as well as Brazil. Training teachers and new workers is a focus for their ministry. They are even training children to reach other children with the gospel. Pray for the workers of this region as they grow the work of CEF through training, equipping, and sending others to share the gospel with the children. Pray for safety as much travel is involved with this job.
