# IMPACT

Child Evangelism Fellowship® of Franklin/Fulton Counties

Since 1937

**CEF**  
CHILD EVANGELISM  
FELLOWSHIP®

Reaching children worldwide®

CEF International Headquarters in Warrenton, Missouri.

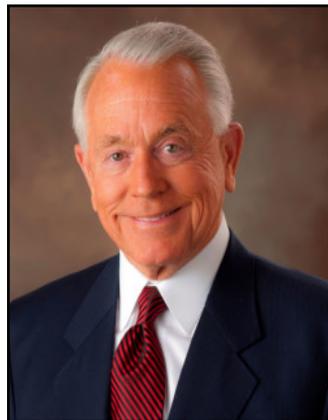

## PRAY FOR CEF® LEADERSHIP

CEF's president, Reese Kauffman, will be retiring in just a few weeks after serving in that role for 33 years. Reese has been a wonderful leader and has seen the ministry of CEF accomplish great things for the cause of the gospel during his tenure. He will be greatly missed. Please pray for God's choice of a replacement to lead this worldwide ministry of reaching children. Read more about Reese and his service below.

### OPEN FOR BUSINESS!

We've had some wonderful opportunities to attend church events over the past few weeks. Please don't forget that CEF can come to your church to set up a display to promote clubs and camp. We can also talk to children, teens, or adults about our ministry opportunities, provide pulpit supply, or speak for missions conferences, rally days, etc. We'd love to connect with your church.

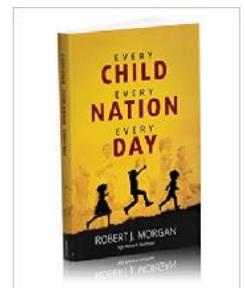

## REESE KAUFFMAN

Raised in a pastor's home in Indianapolis, Reese trusted Jesus as his Savior at age eight. In 1967 he founded Kauffman Products, Inc., a manufacturer of high-volume metal stampings and components for automotive, appliance and military industries. In 1975 Reese became a member of the local CEF committee in Indianapolis and in 1977 the CEF International Board of Trustees. On October 1, 1989 Reese committed to serve for one year as president and has continued to serve full time since without compensation.

Under Reese's leadership CEF has grown from reaching 1 million boys and girls per year in less than 100 nations to millions of children around the world. God has given him a passion for global evangelism and discipleship among children. Reese's goal is to keep the ministry on point for future generations. Reese and his wife Linda have three grown children and four grandsons, and they live on Sanibel Island in Florida.

The above information was taken from [www.cefonline.com](http://www.cefonline.com). To learn more, consider reading the account of the life and ministry of Reese and CEF in the book *Every Child, Every Nation, Every Day* by Robert Morgan.

# THANK YOU

School clubs have now ended, and we want to thank every person who made these clubs possible. To keep clubs going this year, we had about 70 teachers, 100 helpers, 10 shepherds, and 10 bus drivers for a total of nearly 200 volunteers overseeing clubs in 27 schools, 4 churches, several private schools, and community locations. Many of the volunteers listed above help in more than one club.

A Kindergarten club singing with their teacher

2nd graders in Waynesboro playing a game.

We are so thankful to every volunteer who gave of their time and talents, and showed the love of Christ to the children we are blessed to teach each week. We had teachers who were committed to teach in spite of medical and physical limitations. We had others who went to work early or stayed late to have time off for club. Some sacrificed financially to provide special items for their clubs. Each was a blessing from God.

## UPDATE!

We have about half of the needed teachers for camp signed up and ready to go. We're so thankful for those who have already committed to volunteer a week or more. If you are hoping to teach a week of camp, please let us know your plans, even if you're not sure of the exact week yet. We still need many more teachers to accommodate the children we hope will attend.

Praise God for His provision of many of our missionaries and nurses. We still need numerous bus drivers, a

camp photographer, and a lifeguard for all 8 weeks. Pray as we fill in those remaining slots.

Thank you for your donations. We still have a need for paper towels, cleaning supplies, paper products, and snacks. Sand for the pond has been provided. We could still use gravel for the parking lot.

Thank you for the many scholarships that have been given. We expect many requests for financial help in these hard times. We have plenty to help anyone who asks.

## The Things They Say

A seven year old girl observed a playground that looked really fun at the church that hosts her Good News Club. One week, she came into club and reported to all the other children that she had attended church that week and they were allowed to play on the fun playground. She was also excited that the church had served "basketti" to everyone that day. Praise God for this child attending church with her family as a result of club.

A six year old boy was being tucked into bed one night. He asked his mom how many more days until it was Wednesday again. She asked him why he wanted to know, and he said because Wednesday is when he gets to go to Good News Club. His mom says he sings the songs and says the Bible verses at home each week. She is grateful for this influence in his life.

A group of second grade boys were learning about the passover. After listening carefully to the process of applying blood to the doors and the results, they were intrigued. Then one boy asked the teacher, "Did you do this with your family?" After recovering her pride, she explained that it took place quite some time before she was born. Time to review the biblical timeline!
