Child Evangelism Fellowship® of Franklin/Fulton Counties

CEF® in Uvalde, Texas

CEF workers arrived in Uvalde very soon after the horrific events that took place last month. While they were there, God opened doors for them to minister by giving out 10,000 booklets entitled "Do You Wonder Why?" These booklets are specifically designed by CEF to help people who have been through a tragedy. These books were given to churches, public libraries, restaurants, members of the media, students, and to individuals around Robb Elementary School.

Workers also had the opportunity to share in some church services and share the gospel with people of all ages. Before their time was over, 22 people had prayed to receive Jesus Christ as Savior. The youngest was 10 and a student at Robb Elementary. The oldest was an 80 year old!

As a result of this ministry, there is a person interested in serving with CEF in Uvalde. There are currently no CEF workers in that town. Please continue to pray for open doors to reach this hurting area with the Gospel.

Good News Camp is off to a great start this summer. Three of the eight weeks in Waynesboro are already full and have a waiting list. The rest of the weeks are filling quickly as well. More families than ever are needing some financial help. We are so thankful for the scholarships we can offer to ease that burden.

God has provided ten brand new teachers so far this summer. Some of them have taught in clubs, but some are unfamiliar with the ministry of CEF. It is exciting to see them get involved and get excited about ministering to the children. Many of them completed a training on how to lead a child to Christ and are equipped to share the gospel with the children in

their groups. We are also thankful for new helpers and junior counselors that have joined our team this year. Our bright tie dye shirts have been a lot of fun as you can see in the pictures.

Thank you for your prayers. Please continue to pray for safety for each of the children and staff. Pray for God's Word to touch many hearts and change many lives as it is shared this summer.

The Favorite Song So Far:
There's no greater power than
the power of our God!
I sing the mighty power of God
that made the mountains rise.
That spread the flowing seas
abroad and built the lofty skies.
I sing the wisdom that designed
the sun to rule the day.
The moon shines full at
His command and all
the stars obey.
There's no greater power than
the power of our God!
