

# Good News

THE RUSSELL FAMILY - NOVEMBER 2022

*Serving with Child Evangelism Fellowship® in Franklin & Fulton Counties, Pennsylvania.*

During this month of giving thanks, our hearts are filled with reasons to thank God for all that He has done in and through us. Please join us in thanking God for His many blessings:

- ✓ For the health and safety of our family.
- ✓ For a ministry that allows us to use our gifts to reach boys and girls with the good news of Jesus Christ.
- ✓ For countless dedicated people who work beside us in this ministry week after week.
- ✓ For our prayer and financial supporters that make everything we do possible.
- ✓ For opportunities to share our ministry with people like you.
- ✓ For a God who makes all things possible and allows us to be a small part of what He is doing both here and around the world.

## Family and Ministry Update

Since 2007, we have been serving with CEF as a family. It has been such a blessing to live on the camp property and serve together in clubs, camp, and CYIA. Each of our children was blessed to experience the fun of CEF and also the opportunity to serve through such a great ministry. All of them have now moved on to the next phase of their lives. After much prayer and planning, Michelle has decided to do the same. She will be leaving CEF as a paid staff member in June, 2023. This will allow more time for her to spend with her family as well as pursue her academic goal of completing her PhD in ministry leadership. Dan will still continue as director and Michelle will still volunteer and help as needed. Pray for our committee and our chapter as we look to find a person with a heart for children and the ministry of CEF as a replacement. Pray for our family as we make this transition. Praise God for His goodness in our lives!

## Family News

Cora got a job as a math and reading intervention specialist at Lynden Christian School (the same school where Seth is teaching math). Thank you for your prayers. This picture is from her first day of school on October 3.

Caleb and Jacob enjoy living and working in Towson. We love that they are only 90 minutes away. We still get to see them nearly every week. We've had fun visiting them and exploring the area. We got to go to Textron for family day. It was great to see where Jacob works and what his company does.

Olivia stayed on campus for Fall break because her semester has been so busy. She enjoyed resting and getting ahead on schoolwork. She'll stay in Texas and visit with friends for Thanksgiving, but will come home after finals to spend some time with the family here in Pennsylvania.
