Child Evangelism Fellowship® of Franklin/Fulton Counties

The Ministries of CEF® in 2023

During the month of December, there were four new kindergarten clubs started for Greencastle-Antrim Primary School. These clubs meet on Fridays, and the children are having a great time. We could still use one or two helpers at this club.

Another club started in Shippensburg in a school that hasn't met since pre-COVID. Praise God for this open door. Eighteen children attended the first week.

Two more kindergarten clubs will start this month. Pray for a good start for these clubs.

The U-Nite app is adding new material nearly every day. Much of it is interactive. All of it will be enjoyed by children you know. Please share this app and YouTube channel with the children in your life.

Camp preparations are already underway. We're looking forward to another summer with full attendance. Last summer's campers received their Christmas card and picture in the mail in early December.

January's class is scheduled to meet on Jan 9th in Chambersburg and Jan 10th in Waynesboro. Once again Diane Pomroy will be sharing about her ministry with CEF in the Middle East and her new role as training director for the state of PA.

Two faithful workers grade these lessons for children who want to grow in their faith. We're thankful for this great way to do follow-up with children.

Tel-A-Story offers a new story every day. Please share this number with children you know and remind them to call. The call is free.

Please continue to pray for Christmas Party Clubs as they are taking place all over the world. Some of them will meet after Christmas and into the New Year. Pray especially that many of the party clubs will become regular weekly Good News Clubs. The children here in our counties have enjoyed learning the story of Jesus' birth.
