Another busy summer of Good News Camp has come to an end. We had eight weeks of day camp in Waynesboro, one week in Path Valley, and one week in Fulton County. Our theme was "Be ye doers of the Word." The lessons were about the importance of God's Word in our lives. Each day there was a key word to remind the campers of the Bible.

## Good News Camp 2023 Highlights

During quiet time each afternoon, every camper had the opportunity to meet with their teacher to pray and talk about spiritual issues. Praise God for the many children who began a relationship with Jesus or renewed their commitment to Him this summer. It was encouraging to hear campers share how they were saved during a previous summer at camp.

Camp was blessed by an amazing junior staff and more than 200 volunteers who served for a week or more with the children.

We were also blessed with mostly good weather and no serious accidents or injuries. Thank you to our army of prayer warriors who prayed for these specific things. Your prayers were felt and appreciated.

## School Good News Clubs®

School Good News Clubs will be starting at the beginning of October. It is such a privilege to be able to minister to the children in our counties in this way. We hope to have a School Good News Club scheduled for every school in Franklin and Fulton Counties. Although many of our clubs are staffed and ready to go, there are still a few that do not have a full team ready to start. We are praying for God to provide and to fill in the gaps left by people who are no longer able to serve. If you have an hour to give as a teacher, helper, or bus driver, please contact our office and we'll find a place for you to serve. This is a great opportunity for part-time workers, retired folks, or homeschoolers who are looking for a way to volunteer.

## Training Classes

Once again this year, we will have free teacher training classes for anyone who teaches children in any setting. Each class includes valuable information to help you be the best worker you can be. Free games, songs, and ideas are given to all who attend to help them be more creative as they teach. Classes meet on the first Monday of the month at Chambersburg Bible Church and the first Tuesday of the month at our Waynesboro office. Call for more details.

## Directors in Training

This month, Matt and Tiffanie Robinson will have several opportunities to get to know the people and the ministry of CEF. They will attend the CEF Director's Retreat, where they will meet other local directors from PA and surrounding areas.

Tiffanie will begin working regularly in the CEF office to learn Michelle's responsibilities. She will also be taking over the teacher training classes and teaching some clubs. Matt will be around to begin to learn Dan's responsibilities as his schedule permits. He will also participate in some training which is required and helpful for those seeking to become CEF directors.

If you would like to meet Matt and Tiffanie, they will be available to meet teachers and other volunteers at the open house on September 12.

We are thankful for Lori, Nathan and Steven who will be here to continue their duties and be valuable sources of information for the Robinsons as they make this transition.

Please continue to pray for the Robinson family as they prepare for this move in their lives and ministry.
