

CEF® *IMPACT*

Our open house on September 12 was a great success. More than fifty people stopped by to pick up supplies needed for a new year of Good News Clubs®. It was great to see everyone again and feel the excitement they have for their ministry.

God has provided in a mighty way to fill club needs. We still have a few clubs that need some extra help. If you or someone you know is able to volunteer one hour a week to be in a club, please let us know and we'll find a club that is a perfect fit for you and your schedule. You will be blessed as you see God's Word impacting those who have no other source for hearing the gospel.

Matt and Tiffanie Robinson have started coming into the office several days a week to begin learning the many details that go into the ministry of CEF. They will catch on quickly, and their various experiences will add to the richness of the ministry. They have also started the first of the training classes that are required for them to take on the role as director. Continue to pray for them as they are sorting and packing in preparation for their move in January.

Teacher Training Classes begin this month. They will be on Oct 2 at Chambersburg Bible Church at 9:30 AM and Oct 3 at the CEF office in Waynesboro at 9:30 AM and 7 PM. These classes are for anyone who works in children's ministry. Please contact our office if you need more details.

Tel-A-Story and The Mailbox Club are two ministries that are always running behind the scenes, but we don't often talk about. We hand out promotional materials at the end of clubs and each week at camp to encourage the children to enroll. This summer, we saw great response to those invitations. There were 161 Mailbox Club lessons completed in just two months. In this same time period, about 500 children listened

to Tel-A-Story. We praise God for these ministries that allow the children to grow in their homes. Pray that children will continue to do lessons and call for stories in this new season.

Hey Kids!
Ask your parents if you can call this toll-free number to hear a Bible Story.

You can call Tel-A-Story back every day to hear a new story, and it is always free.
