Kick Off the Gospel with Soccer

Some sporting events only happen every four years and they come with A LOT of excitement. Sporting events like the Super Bowl and the World Series gain a lot of viewership in the United States, but events like the World Cup for soccer gain world wide attention. There are over 8 billion people in the world. Guess how many are projected to watch at least a portion of the World Cup? 6 BILLION! That is 75% of the world's population. What if there was a way to combine the excitement of soccer with the Gospel? There is!

This year presents an exciting opportunity to reach children with the Gospel in a fun and engaging way. As the excitement around the World Cup captures the attention of kids around the world, **Child Evangelism Fellowship is launching Soccer Party Clubs**, an energetic outreach designed to combine the love of soccer with the life-changing message of Jesus.

A Soccer Party Club is a simple and powerful way for churches to connect with children in their community. These events include soccer-themed games, music, Bible lessons, and a clear presentation of the Gospel. Kids come for the soccer fun, but they leave hearing about the greatest victory of all, what Jesus has done for them. Churches can host these clubs at their building, a park, or even in a neighborhood setting, creating a welcoming environment where children feel excited to participate.

There is also a possibility of taking part in a larger outreach effort in **Philadelphia**, where teams may travel in to share the Gospel with children during this unique season of soccer enthusiasm. What an incredible chance to bring hope to kids in a major city while partnering together in ministry!

If your church would be interested in **hosting a Soccer Party Club** or would simply like to learn more about how you can be involved, we would love to connect with you. This is a wonderful opportunity to engage children, serve your community, and share the message of Christ in a way that is both meaningful and memorable.

Looking Forward

As we continue looking toward the future of the ministry, we are also praying for God to raise up the right people to serve in key leadership roles. Currently, we are seeking individuals who may feel called to serve as **Local Director and Assistant Director**. These positions are vital to help the ministry continue to reach children and support the many volunteers and churches involved in the work.

Would you join us in praying that God brings the right people at the right time? If you know someone who has a heart for children, a passion for sharing the Gospel, and a desire to serve in ministry, we would love for you to **share this opportunity with them**. Sometimes the next person God is calling simply needs someone to point them toward the opportunity. Thank you for helping us spread the word and for praying with us as we trust God to provide the leadership needed for the next season of ministry.

Upcoming Needs

The time is quickly coming when camp will be waking up and that means all hands on deck to prepare for the thousand plus children that will be coming. What are some ways you can help us get ready for camp?

We need supplies to help us start camp. Some items include napkins, paper towels, large black trash bags, 13 gallon trash bags, sharpies, graham crackers, scissors, Lysol wipes, and more. We created an Amazon wishlist that will get emailed out and will be posted on social media. Thank you in advance!

We have A LOT of work that will need to get done at camp. We have a work day scheduled for April 25th, 9:00 AM. This work day will help us set up for camp but it will also be a day to do some major projects. We would like to dedicate some time to get the slide area up and running, build extra teaching canopies, getting into the creek to clean out downed trees, and to cut trees that have fallen over the winter. We will also be doing some cleaning too. We would love to see you!

Camp Is Coming

It might still be winter but summer is quickly approaching, and that means preparations for **Good News Camp** are in full swing! Each year, these special weeks of camp give children the opportunity to step away from their everyday routines and experience a place filled with fun, friendships, and the life-changing message of the Gospel. From games and outdoor adventures to Bible lessons and worship, Good News Camp creates an environment where children can grow, ask questions, and encounter the love of Christ in a powerful way. A majority of the children that attend camp are unchurched/unsaved. That means they need to hear the message of hope!

Right now, there is a lot happening behind the scenes. We are hosting **workdays to prepare the camp property on Saturday April 25th, 9 AM.** We would love to have a big team of volunteers to help us get camp ready. We are also recruiting and training staff and volunteers. The portal is open for staff on our website along with Google forms for applications. We are beginning to receive registrations from families excited for their children to attend. It's incredible to watch how God brings people together to make this ministry possible. Every cleaned changing room, every volunteer who says "yes," and every child who signs up is another step toward a summer that can impact young lives for eternity.

Please pray with us during this preparation season. Pray that God would raise up the **right staff and volunteers**, provide everything needed to prepare the camp, and bring many children who need to hear the Good News. Most of all, pray that hearts would be ready — that when campers arrive this summer, they will experience joy, belonging, and the hope found in Jesus.
